

White Winter Hymnal (Fleet Foxes Cover)

Birdy

I was following the
I was following the
I was following the
I was following the
I was following the pack
All swallowed in their coats
With scarves of red tied 'round their throats
To keep their little heads
From falling in the snow
And I turned 'round and there you go
And Michael, you would fall
And turn the white snow red as strawberries
In the summertime I was following the pack
All swallowed in their coats
With scarves of red tied 'round their throats
To keep their little heads
From falling in the snow
And I turned 'round and there you go
And Michael, you would fall
And turn the white snow red as strawberries
In the summertime I was following the pack
All swallowed in their coats
With scarves of red tied 'round their throats
To keep their little heads
From falling in the snow
And I turned 'round and there you go
And Michael, you would fall
And turn the white snow red as strawberries
In summertime Oh, oh, oh, oh, oh
Oh, oh, oh, oh, oh
