

Umbrella

Bottlefly

She's got a gold painted soul
With a ticket to roll
She's like a ball of an uncontrollable fire
She's in a dream magazine
With a Jupiter Queen
If you don't know you can call me a liar
Tooty Fruity, living with a loony
Like a chimpanzee on a wire
Two by two, I try to follow you
But you won't keep this rhythm in time
She's got me going, now she's my
She's my umbrella, my umbrella, today my umbrella
Now she's my, she's my umbrella, my umbrella today
I've got a head full of coffee
As I'm crashing along
I've got the bitch in the back of the van
Well, she's a head strong King Kong
Always smoking Cheech and Chong
I love her juvenile scam
Ruby Tuesdays always on a Friday
There's a full moon coming tonight
Hold the clock 'cause she's a beautiful fox
And she won't keep this rhythm in time
She's got me going, now she's my
She's my umbrella, my umbrella, today my umbrella
Now she's my, she's my umbrella, my umbrella today
She's my, she's my umbrella, my umbrella, today my
umbrella
She's my, she's my umbrella, my umbrella today
She's got me going, now she's my
She's my umbrella, my umbrella, today my umbrella
Now she's my, she's my umbrella, my umbrella today
She's got me going, now she's my
She's my umbrella, my umbrella, today my umbrella
Now she's my, she's my umbrella, my umbrella today
Take it from me
Take it from me
Take it from me
Oh, she's got me going, oh, she's got me going now
Yeah, she's got me going, oh, she's got me going now
She's got me going, oh, she's got me going now
She's got me going, oh, she's got me going now
Yeah, she's got me going, oh, she's got me going now
She's got me going, oh, she's got me going now, yeah
