

Daylight (feat. Drumsound & Bassline Smith)

Hadouken!

Trust me, you'll see where you are
'Cause it's over now
Yeah it's over now
And I mean it, the day will go wrong
Go wrong, go wrong
And as the daylight comes
Don't waste it all again
Oh yeah
Gotta let it go And as the daylight comes
Don't waste it all again And as the daylight comes
Don't waste it all again
Oh yeah
Gotta let it go Trust me, you'll see where you are
'Cause it's over now
Yeah it's over now
And I mean it, the day will go wrong
Go wrong, go wrong When you see that the time is gone
And the world has moved along
Gotta let it go
Gotta let it go Why do you wanna know?
Why do you need to know?
Why do you wanna know about it? And as the daylight comes
Don't waste it all again And as the daylight comes
Don't waste it all again
Oh yeah
Gotta let it go
