

Spoonful

[Etta James](#)

Could be a spoonful of coffee
Could be a spoonful of tea
Just a little spoon of your precious love
Is good enough for meMen lies about a little
Some of them cries about a little
Might even die about a little
Everybody's fightin' about itThat spoon, that spoon, that
That spoon, that spoon, thatCould be a spoonful of diamonds
Could be a spoonful of gold
Just a little spoon of your precious love
Satisfied my soulMen lies about a little
Some of them cries about a little
Might even die about a little
Everybody's fightin' about itThat spoon, that spoon, that
That spoon, that spoon, that
That spoon, that spoon, that spoonfulCould be a spoonful of water
Save you from the desert sand
Just a little spoon from a forty five
Save you from another manMen lies about a little
Some of them cries about a little
Might even die about a little
Everybody's fightin' about itThat spoon, that spoon, that
That spoon, that spoon, that
That spoon, that spoon, that spoonful
