

# You'll Never Know

Frank Sinatra

Darling, I'm so blue without you  
I think about you the live-long day  
When you ask me if I'm lonely  
Then I only have this to say You'll never know just how much I miss you  
You'll never know just how much I care  
And if I tried, I still couldn't hide my love for you  
You ought to know, for haven't I told you so  
A million or more times? You went away and my heart went with you  
I speak your name in my every prayer  
If there is some other way to prove that I love you  
I swear I don't know how  
You'll never know if you don't know now You'll never know just how much I miss you  
You'll never know just how much I care  
You said goodbye; no stars in the sky refuse to shine  
Take it from me: it's no fun to be alone  
With moonlight and memories
