

Slice Me Nice

[Nic Billington](#)

My body's burning like a flame that's blueIt's time for action and I want it from you.

Slice me nice - slice me nice.

My heart is beating to the rhythm of loveI need you
baby

like cold hands need a glove.

Slice me nice - slice me nice.I'm like a cake that wants to be bakedI'm like a pie made for hungry guys.

My body's burning like a flame that's blueIt's time for action
baby

got me and you.

Slice me nice - slice me nice.SLICE - slice me nice

SLICE - slice me niceS L I C E - slice me nice
