Blue Felix

woah oh oh oh oh

you don't mind or have you lost it?
you say you love me
would you visit my grave?
if you lie under I promise I'll behavenever too late
the bottle's on the table
never too late
the bottle's on the table
so I'll see you on the floorwoah oh oh oh oh

ra na na na na naHide my skeleton's in your closet
it's on your mind, atleast it's crossed it
love me, you say - lie under, behavenever too late
the bottle's on the table
never too late
the bottle's on the table
so I'll see you on the floorwoah oh oh oh oh
ra na na
ra na na
ra na na na na naI'm a skeleton in your closet
we're just skeletons in your closet
you don't mind, you lost it
and we're on your mind
atleast we've crossed it
