Take You To Rio

Ester Dean

Let me take you to Rio, Rio
Fly on the ocean like an eagle, eagle
And we can chill in like a 'zebo, gazebo
Oooh, na na na
Let me take you to Rio, Rio
Fly on the ocean like an eagle, eagle
And we can chill in like a 'zebo, gazebo
Oooh, na na na
All in together now, how you like the weather now
Right here, show me now, you know how to put it down
You gotta light girl, turn it on, here's mine, turn me on
You gotta wild side let it out, I'ma make you bring it out
Shake it up fast, wind it up slow
Just move your body girl
Work it to the floor
Let your body go now
Let me take you to Rio, Rio
Fly on the ocean like an eagle, eagle
And we can chill in like a 'zebo, gazebo
Oooh, na na na
Let me take you to Rio, Rio
Fly on the ocean like an eagle, eagle
And we can chill in like a 'zebo, gazebo
Oooh, na na na
See that you like it now, by the way you're dancin' now
Go ahead and make it count, move your body, make it bounce
You gotta light girl, turn it on, here's mine, turn me on
You gotta wild side let it out, I'ma make you bring it out
Shake it up fast, wind it up slow
Just move your body girl
Work it to the floor
Let your body go now
Let me take you to Rio, Rio
Fly on the ocean like an eagle, eagle
And we can chill in like a 'zebo, gazebo
Oooh, na na na
Let me take you to Rio, Rio
Fly on the ocean like an eagle, eagle
And we can chill in like a 'zebo, gazebo

Oooh, na na na
Let me take you to Rio show you all around De Janeiro
Teach em 'bout how be like a drummer, don't act shy, girl you know You wanna dance dance dance dance dance dance
Girl you know you wanna dance dance dance dance dance
Let me take you to Rio, Rio
Fly on the ocean like an eagle, eagle
And we can chill in like a 'zebo, gazebo
Oooh, na na na
Let me take you to Rio, Rio
Fly on the ocean like an eagle, eagle
And we can chill in like a 'zebo, gazebo
Oooh, na na na yeah, one more time
Let me take you to Rio, Rio
Fly on the ocean like an eagle, eagle
And we can chill in like a 'zebo, gazebo
Oooh, na na na

And we can chill in like a 'zebo, gazebo
Oooh, na na na
