

# No Matter What

**Kerrie Roberts**

I'm runnin' back to Your promises one more time  
Lord, that's all I can hold onto  
I've got to say this has taken me by surprise  
But nothing surprises YouBefore a heartache can ever touch my life  
It has to go through Your hands  
And even though I keep askin' why  
I keep askin' whyNo matter what, I'm gonna love You  
No matter what, I'm gonna need You  
I know that You can find a way to keep me from the pain  
But if not, if not, I'll trust YouNo matter what  
No matter whatWhen I'm stuck in this nothingness by myself  
I'm just sitting in silence  
There's no way I can make it without Your help  
I won't even try itI know You have Your reasons for everything  
So I will keep believin'  
Whatever I might be feelin', that You are my hope  
And You'll be my strengthNo matter what, I'm gonna love You  
No matter what, I'm gonna need You  
I know that You can find a way to keep me from the pain  
But if not, if not, I'll trust YouNo matter what  
No matter whatAnything I don't have, You can give it to me  
But it's okay if You don't  
I'm not here for those things, the touch of Your love  
Is enough on its ownBut no matter what, I still love you  
And I'm gonna need youNo matter what, I'm gonna love You  
No matter what, I'm gonna need You  
I know that You can find a way to keep me from the pain  
But if not, if not, I'll trust YouI know that You can find a way to keep me from the pain  
But if not, if not, I'll trust YouNo matter what  
No matter what
