Love Attack

Shakin' Stevens

Rain is burning feels so right I'm gonna give you love tonight You know I need your love so much Make me shiver when we touch I feel love for you Close your eyes you'll feel it Too Don't go hold you back I'm getting ready for a love attack Close the door Turn out the light I'm burning just like dynamite It's time to give your love to me Like my passion with your key So much love inside No way I can stand the tide Don't go holding back You know I'm ready for a love attack I'm turned on and all I want is you Don't turn me down I don't know what I'll do I'm so full of love inside You really make me come alive It's time to let your feelings show Hold me close don't let me go I feel love for you Close your eyes you'll feel it Too...
