

New Jersey Girl

Nerf Herder

Well I met her at the Trocadero, in Philly
Backstage at the Blohound show
She said, she was from Cherry Hill, Cherry Hill
Through lips like cherries in the snow New Jersey girl, New Jersey girl
Come on and rock my world
New Jersey girl, New Jersey girl
I wanna love you New Jersey girl, New Jersey girl
With your crazy fucked up hair
New Jersey girl, New Jersey girl
You're wicked awesome No she didn't talk to Charlie
Our old bass player
And she didn't go off with Steve
Not the cougar, not the cougar Yeah she took me up to the balcony
Past Kenneth Keith Kallenback
And gave a
Yuengling to me New Jersey girl, New Jersey girl
Come on and rock my world
New Jersey girl, New Jersey girl
I wanna love you New Jersey girl, New Jersey girl
With your crazy fucked up hair
New Jersey girl, New Jersey girl
You're wicked awesome Her brother calls me blowjob
(Hey blowjob)
When I call her on the phone
He says, "Hey fuckwad, are you wackin' it, are you wackin' it?"
"No, but is your sister home?" New Jersey girl, New Jersey girl
Come on and rock my world
New Jersey girl, New Jersey girl
I wanna love you New Jersey girl, New Jersey girl
With your crazy fucked up hair
New Jersey girl, New Jersey girl
You're wicked awesome New Jersey girl
New Jersey girl
New Jersey girl
New Jersey girl
