

Hit the Lights (feat. Lil Wayne)

Jay Sean

Hit the lights
Hit the lights
Hit the lights
Hit the lightsBaby, hold it and let me holla at you, baby for a moment
And if you with it, I'm with it, we'll keep it rollin'
And we'll be dancing and drinking until the morning
Until the morningSparks going off
It's so hot there's girls just taking all their clothes off
So take a picture of this moment with your iPhone
'Cause I don't wanna forget tonight, night, nightPut your lighters in the air
Let 'em burn into the night
And let everybody know
That you're with it and you're ready to goSo hit the lights, oh, oh, oh
Hit the lights, oh, oh, oh
Hit the lights, oh, oh, oh
Tonight, tonightSo hit the lights, oh, oh, oh
Hit the lights, oh, oh, oh
Hit the lights, oh, oh, oh
Hit the lights, hit the lights, hit the lightsCome out the dark and let the DJ lead the way, way, way
'Cause it's hot in the club now do don't let it stop now
So hit the lights, hit the lights, hit the lights
And everybody say oh, oh, oh, oh, ohYMCMB, bitches call me Tunechi Li
All them bitches think they fly
And all 'em bitches flew to meHit the lights so you could see
My drink is strong and my hooka sweet
Understand the time is now
But time is up, the future's bleakIt's me, it's stupid cupid
Love me, leave me in the morning
If you like, your friend can join in
The wildest flower in the gardenCoolest nigga in the party
Shades on, dreads long
Blood gang, red zone
And I'm with Jay SeanPut ya lighters in the air
Let 'em burn into the sky
And let everybody know
That you're with it and you're ready to goSo hit the lights, oh, oh, oh
Hit the lights, oh, oh, oh
Hit the lights, oh, oh, oh
Tonight, tonightSo hit the lights, oh, oh, oh

Hit the lights, oh, oh, oh
Hit the lights, oh, oh, oh
Hit the lights, hit the lights, hit the lights Come out the dark and let the DJ lead the way, way, way
'Cause it's hot in the club now do don't let it stop now
So hit the lights, hit the lights, hit the lights
And everybody say Turn 'em low, turn 'em high
Light it up to the sky
