Hush Hush

Alexis Jordan

Everybody knows
Everybody knows that I'm coming for you tough
I'm coming for you toughEverybody knows
Everybody knows that I'm coming for you tough
I'm coming for you toughAre you scared?
Don't you run now, welcome to the fun house
Tossed my emotions so here's the commotion
It feels good to hold the knife, cut me out just right
Revenge and a kiss, 'cause baby I'm a snitchHush hush hush
You know I'm coming for you tough tough tough
I need your word in a rush rush rush
You better take cover, there's a quiet storm
Hush hush hush
You know I'm coming for you tough tough tough
I need your love in a rush rush rush
You better take cover, there's a quiet stormEverybody knows
Everybody knows that I'm coming for you tough
I'm coming for you toughEverybody knows
Everybody knows that I'm coming for you tough
I'm coming for you toughYou won't get saved, hold your breath it's okay
'Cause your drowning in the days, I'm gonna shake you up
It's gonna be fun, I got a little something
Sure there be some pain, I'll be happy againHush hush hush
You know I'm coming for you tough tough tough
I need your word in a rush rush rush
You better take cover, there's a quiet storm
Hush hush hush
You know I'm coming for you tough tough tough
I need your love in a rush rush rush
You better take cover, there's a quiet stormDon't you say one more thing to me
Won't you shut it up, you can't explainHush hush hush
You know I'm coming for you tough tough tough
I need your word in a rush rush rush
You better take cover, there's a quiet storm
Hush hush hush
You know I'm coming for you tough tough tough
I need your love in a rush rush rush
You better take cover, there's a quiet storm
