

# You'll Go Far

**Jenn Grant**

I'll be gone for  
The setting of the sun  
You'll be too  
Standing on the shore  
As the blue turns to me And says you'll, you'll go  
You'll go far, we know  
And says you'll, you'll go  
You'll go far, we know I see it so clearly now  
Why do you still follow it?  
I've got all these questions, how  
And why do you still follow it?  
When it doesn't lead us the way  
It doesn't lead us the way home  
Home  
Home  
Home
