

Some Days Are Diamonds, Some Days Are Stone

John Denver

When you asked how I've been here without you
I'd like to say I've been fine and I do
But we both know the truth is hard to come by
And if I told the truth that's not quite true
Some days are diamonds some days are stones
Sometimes the hard times won't leave me alone
Sometimes a cold wind blows a chill in my bones
Some days are diamonds some days are stones
Now the face that I see in my mirror
More and more is a stranger to me
More and more I can see there's a danger
In becoming what I never thought I'd be
Some days are diamonds some days are stones
Sometimes the hard times won't leave me alone
Sometimes a cold wind blows a chill in my bones
Some days are diamonds some days are stones
Some days are diamonds some days are stones
Sometimes the hard times won't leave me alone
But sometimes a cold wind blows a chill in my bones
Some days are diamonds some days are stones
Some days are diamonds some days are stones
Sometimes the hard times won't leave me alone
