

# My Tortured Soul

## Probot

There are times when the road gets dark  
Seem to have lost my way  
Sophisticated abuse of reason  
Day after day Oh no please come for me  
For me and my tortured soul Haunted by ill angels only  
I'm so very pained to say  
Secrets of mind change reality  
Are the things they said today Oh no please come for me  
For me and my tortured sou  
Words could never explain  
I know it might sound strange  
But i wish it would rain
