

# I See Right Through To You

## DJ Encore

I see right though to you  
See right through to you  
See right through to you I see right through to you  
It's not like I don't feel your mood  
What you have for me is different Then the rest that moves  
I'll be positive, I know that I could be there to  
'Cuz you have it all, have it all I see right through to you  
See your every move  
See right through to you  
See your every move I know you now  
I reach your mind  
You've shown some how  
What I could find On the inside  
There you will see  
We're all alike you and me I see right through to you  
See your every move  
See right through to you  
See your every move
