

# Hello McFly

## Relient K

A roll of the dice  
A slip of the tongue  
I was stirring up the hornets nest  
And finally got me stung  
Tried to do the right thing  
But the wrong was done  
It's over excuse my grammar  
But the fat lady's sung  
And I wish I was  
Michael J. Fox  
(Michael J. Fox)  
I'd visit the past  
Then come back to the future  
(Hello McFly)  
Then I'd clean up my act  
Yeah, I don't know what went through my head  
Was my conscience shot? Was it left for dead?  
I said, I'm sorry but no one heard  
'Cause actions, actions, actions speak louder than words  
I think I made God angry  
Yeah, I'm sure that He's irate  
I just hope my remorse  
Was not too little too late  
I gave Him my track record  
He gave me a clean slate  
I'm forgiven and I'm livin'  
With no sin on my plate  
And I wish I was  
Michael J. Fox  
(Michael J. Fox)  
I'd visit the past  
Then come back to the future  
(Hello McFly)  
Then I'd clean up my act  
Yeah, I don't know what went through my head.  
Was my conscience shot? Was it left for dead?  
I said, I'm sorry but no one heard  
'Cause actions, actions, actions speak louder than words
