Bonus Beats

N.W.A.

It's as simple as something that nobody knows
That her eyes are as big as her bubbly toes
On the feet of a queen of the hearts of the cards
And her feet are all covered with tar balls and scars
It's as common as something that nobody knows
That her beauty will follow wherever she goes
Up the hill in the back of her house
In the world she love me forever,
I know she couldI remember when you and me mmm how we used to be just good friends
Wouldn't give me none
But all I wanted was some
She's got a whole lot of reasons
She can't think of a single one
That can justify leaving
And he got none but he thinks he got so many problems
Man he got, too much time to wasteHis dreams are like commercials
But her dreams are picture perfect and
Our dreams are so related though they're often underestimatedIt's as simple as something that nobody knows that
Her eyes are as big as her bubbly toes
On the feet of the queen of the hearts of the cards
And her feet are infested with tar balls andLa da da da da daWell I was eating lunch at the D. L. G.
When this little girl came and she sat next to me
I never seen nobody move the way she did
Well she did and she does and she'll do it againWhen you move like a jellyfish
Rhythm don't mean nothing
You go with the flow
You don't stop
Move like a jellyfish
Rhythm is nothing
You go with the flow
You don't stopIt's as common as something that nobody knows it
Her beauty will follow wherever she goes
Up the hill in the back of her house in the wood
She'll love me forever, I know sheLa da da da da daIf you would only listen
You might just realize what you're missing
You're missing me
If you would only listen
You might just realize what you're missing

You're missing meIt's as simple as something that nobody knows that
Her eyes are as big as her bubbly toes
On the feet of the queen of the hearts of the cards
And her feet are infested with tar balls andLa da da da da da
