Upside Down

I.

I've been spending some time
thinking i'd be alright,
don't know if I could really make it tonight,
lie awake in the dark,
come down then I start,
thinking about you is almost breaking my heart.
I don't know where I went wrong, or what's going on,
baby, I fell like our love's lost tonight.
should I stay, should I go?
well, I really don't know.
lately I've been missing you so.

Chorus:

Baby, you don't understand our love lies lost
but you're still holding my hand.
Oh and then you walk away,
just tonight, I want you to stay. You're turning me on,
you turn me around,
you turn me whole world upside down. (repeat 2nd stanza of chorus)

II.

Everytime I hurt you, well it's hurting me too.
Don't know if I could really stay here tonight.
Tired of thinking of you,
I never think that you do,
tell me what am I supposed to do.
Well, I just wanted to say that I need you today.
Tell me it's all gonna work out alright.
I don't know where I should I start,
but with all of my heart,
baby let me be your lover tonight.
