# Missing

## The xx

My heart is beating in a different way
Been gone such a long time and I feel the same
My heart is beating in a different way
Been gone such a long timeWill you miss me? (I, I, I, oh)
When there's nothing to see? (I, I, I, oh)
Tell me, how did this come to be? (I, I, I, oh)
And now there's no hope for you and meMy heart is beating in a different way
Been gone such a long time and I feel the same
My heart is beating in a different way
Been gone such a long timeDo you still believe? (I, I, I, oh)
In you and me? (I, I, I, oh)
Are we all we could be? (I, I, I, oh)
Is it meant to be?My heart is beating in a different way
Been gone such a long time and I feel the same
My heart is beating in a different way
Been gone such a long timeMy heart is beating in a different way
Been gone such a long time
