No One Said It Would Be Easy

Cloud Cult

It's obvious the trouble we're in
When your father pulls up in a Mercedes-Benz
He says he just happened to be in the neighborhood
But before he leaves he slips the landlord the rentAnd you say, "It's just a question of eliminating obstacles"
As you throw your dinner out the kitchen door
You say, "I know how you try
But honey, let's eat out tonight"No one said it would be easy
But no one said it'd be this hard
No one said it would be easy
No one thought we'd come this farYou can't seem to ever fold up a shirt
And I bring it up, you think I'm a jerk
But I think we're here to stay
I can't imagine it any other wayNo one said it would be easy
But no one said it'd be this hard
No one said it would be easy
No one thought we'd come this farBut sometimes I wonder who he's picturing
When he looks at me
When he looks at me and smilesNo one said it would be easy
But no one said it'd be this hard
No one said it would be easy
No one thought we'd come this far
Oh, and look we've come this far
