

Fuck Off

Jayne County

(actually Jayne County is,
Wayne County and the Electric Chairs 1979)

If you don't' wanna fuck me baby, baby fuck off.
If you don't' wanna fuck me baby, baby fuck off.
I an't got time, for yesterday's news,
don't shoot me up with your bullshit news
If you don't' wanna fuck me baby, baby fuck off.

if you don't want a piece of the action, baby take a walk.
if you don't want a piece of the action, baby take a walk.
I don't like it when, you play with my knees
you ain't nothing but a prick tease.
if you don't want a piece of the action, baby take a walk.

theres the door fuck ya hurry. get out.

If you don't' wanna fuck me baby, baby fuck off.
If you don't' wanna fuck me baby, baby fuck off.
you think that your, hot shit I heard.
you ain't nuthin but a cold turd.
If you don't' wanna fuck me baby, baby fuck off.

1,2,3,4, If you dont' wanna fuck me baby, baby, baby fuck off.

If you dont' wanna fuck me baby, baby, baby fuck off.

baby, baby fuck off.

baby, baby fuck off.

baby, baby fuck off.

baby, baby fuck off.

fuck off,

fuck off,

fuck off,

fuck off,

fuck off baby,

in other words, if you ain't got time to take a walk with on my meat
rack. then you can just get the hell out of my bread line.

yea fuck off baby..
