Get Started. Start a Fire

Graham Parker

Pre>thanx kirk anderson (kanderso@wheatonma.edu) for chords, he writes:
For the basic intro, verse, chorus riff play em at fret 7
Then pull off fingers 2, 3, and 4: voila the other chord: 777777,
Though I don't strum the low e. (x77777 = bm11)
Slide it up from fret 6 when you feel moved to. rinse. repeat.Embm11 embm11

Get started, start a fire(4 times)Marilyn was lying all alone with an empty bottle by the phone
Kennedy was not around she was cold when she was found
But she'd gone where goddesses are sleeping
Where the molten tongues of flame are leaping
Or where the angel's hearts are heating (instrumental verse, intro rpt)
