

One Step

YACHT

One step over the line, you're not much over the line
You are fineTwo steps over the line, still feels okay in your mind
You're still fineThree steps over the line, three steps isn't a crime
Not a crimeFour steps over the line,
You're beginning to consider a return to the lineFive steps over the line,
One more step and you can put it behindGet in line, get in line, get in line, get in line
Get in line, get in line, get in line, get in lineSix steps over the line, why're we talking about lines?
All you see is forms and colors and designsSeven steps over the line,
Seems like all those steps, they have been in your mindEight steps over the line, you're so far gone
Now feeling close to sublimeNine steps over the line,
Whoa, that last step felt like a c-c-c-crimeTen steps over the line, ten steps over the line
Ten stepsAnd you're mine, and you're mine, and you're mine, and you're mine, and you're mine
And you're mine, and you're mine, and you're mine, and you're mine, and you're mine
