

Approximately Gone

[Sophie Hunger](#)

It's way over my head, it's over
It's way over my head, it's done Every time you're out the door
You wave goodbye
You're back for more
You'll never get out
You'll never get out Every time I loose my shoes
I cut my feet I think of you
You'll never get out
In between my fingers
You're the hole inside my head
