To Each His Own

Tony Martin

A rose must remain with the sun and the rain
Or its lovely promise won't come true
To each his own, to each his own
And my own is youWhat good is a song if the words just don't belong?
And a dream must be a dream for two
No good alone, to each his own
For me there's you[Chorus:]
If a flame is to grow there must be a glow
To open each door there's a key
I need you, I know, I can't let you go
Your touch means too much to meTwo lips must insist on two more to be kissed
Or they'll never know what love can do
To each his own, I've found my own
One and only you
