Intuition

Selena Gomez & The Scene

I feel like I'm walking in the sky
Woah, woah
Yesterday, tears were in my eyes
Woah, woah
It's a bad day, yeah I've been there before
But I keep my head up so I don't have those anymore
I made a trust to be the best that I could ever be
Gotta stay positive, ignore the negativity
I'm gonna follow my intuition
Tellin' myself to listen
Everything's gonna be okay
It's gonna be a good day
Oh ah oh, oh ah uh oh, oh ah oh
It's gonna be a good day
Follow my intuition
It's gonna be a good day
I've gotta go with what feels right
Woah, woah
Don't always need a reason why
Woah, woah
What's the problem compared to the weight of the world?
Quit trying to please every man, women, boy and girl
Better pick up the pace, there ain't no time to waste
Tomorrow's never promised so I started living for today

I'm going to follow my intuition
Tell myself to listen
Everything's gonna be okay
It's gonna be a good day
Oh ah oh, oh ah uh oh, oh ah oh
It's gonna be a good day
Follow my intuition
It's gonna be a good day
I don't always know that I just gotta let go
Yeah looking back is always easy to know
Sometimes it just gets so confusing, feel like I don't know what I'm doing
But I try so hard in the end
It appears out to be better than anything
Because if it's meant to be, it'll happen

You know it's gonna be a good day
I'm going to follow my intuition
(I said it's gonna be a good day)
Everything's gonna be okay
It's gonna be a good day
Oh ah oh, oh ah uh oh, oh ah oh
It's gonna be a good day
Follow my intuition
It's gonna be a good day
Oh ah oh, oh ah uh oh, oh ah oh
It's gonna be a good day
I follow my intuition
