

# Safe From Harm (Perfecto Mix)

## Massive Attack

Midnight ronkers  
City slickers  
Gunmen and maniacs  
All will feature on the freakshow  
And I can't do nothing 'bout that, no  
But if you hurt what's mine  
I'll sure as hell retaliate You can free the world, you can free my mind  
Just as long as my baby's safe from harm tonight You can free the world, you can free my mind  
Just as long as my baby's safe from harm tonight Terious, terious, terious, infectious and dangerous  
Friends and enemies find us contagerious  
I was lookin' back to see if you were lookin' back at me  
To see me lookin' back at you Lucky dippers  
Crazy chancers  
Seems to be moving fast  
What happened to the nicities  
Of my childhood days  
Well I can't do nothing 'bout that, no  
But if you hurt what's mine  
I'll sure as hell retaliate You can free the world, you can free my mind  
Just as long as my baby's safe from harm tonight You can free the world, you can free my mind  
Just as long as my baby's safe from harm tonight Terious, terious, terious, infectious and dangerous  
Friends and enemies I find it's contagerous  
And they're spreading through your system like a virus  
Yes the trouble in the end it makes you anxious I was lookin' back to see if you were lookin back at me  
To see me lookin back at you I was lookin' back to see if you were lookin back at me  
To see me lookin back at you But if you hurt what's mine  
I'll sure as hell retaliate  
You can free the world, you can free my mind  
Just as long as my baby's safe from harm tonight You can free the world, you can free my mind  
Just as long as my baby's safe from harm tonight
