

# As the Years Go Passing By

Al Kooper

Ah the blues  
The ball and chain that is 'round every English musician's leg  
In fact every musician's leg  
Tryin' to kick it off baby?  
No no.  
You'll just never do it  
And these are the blues of time  
And the blues of a woman  
And a man thinkin' of her  
As time goes by There is nothin' I can do  
If you leave me here to cry  
There is nothin' I can do  
If you leave me here to cry  
You know my love will follow you baby  
Mmm until the day I die I've given you all I own;  
That is one thing you cannot deny  
Oh I've given you all I own;  
Baby that is one thing you cannot deny  
And my love will follow you baby  
Yeah  
Till the day this man dies. I've got failure all around me  
No matter how hard I try.  
I've got failure  
It's all around me  
No matter how hard I  
Try try  
You know my ghost will haunt you baby  
Until the day you stop down and die  
Well you better get up  
Right now right now Well  
You think that you have left me behind  
And that with your other man you're safe  
And you're away from me baby but uh  
One o' these days you're gonna break down and cry  
Because there is no escape from this man  
Because this man's love is so strong  
He's gonna haunt you  
You know my love will follow you  
Mmm until the day I die There is just one thing I want to tell you before I go

Die  
Die  
Die
