

The Man With the Golden Gun (Reprise)

Lulu

He has a powerful weapon
He charges a million a shot
An assassin that's second to none
The man with the golden gunLurking in some darkened doorway
Or crouched on a roof top somewhere
In the next room or this very one
The man with the golden gunLove is required whenever he's hired
It comes just before the kill
No-one can catch him, no hit man can match him
For his million dollar skillOne golden shot means another poor victim
Has come to a glittering end
For a price, he'll erase anyone
The man with the golden gunHis eye may be on you or me
Who will he bang?
We shall see, oh yeahLove is required whenever he's hired
It comes just before the kill
No-one can catch him, no hit man can match him
For his million dollar skillOne golden shot means another poor victim
Has come to a glittering end
If you want to get rid of someone
The man with the golden gunWill get it done
He'll shoot anyone
With his golden gun
