

# Everything Has Changed (Remix) [feat. Ed Sheeran]

Taylor Swift

All I knew this morning when I woke  
Is I know something now, know something now I didn't before  
And all I've seen since eighteen hours ago is green eyes and freckles  
And your smile in the back of my mind making me feel like  
I just want to know you better, know you better, know you better now  
I just want to know you better, know you better, know you better now  
I just want to know you better, know you better, know you better now  
I just want to know you, know you, know you 'Cause all I know is we said hello  
And your eyes look like coming home  
All I know is a simple name, everything has changed  
All I know is you held the door  
You'll be mine and I'll be yours  
All I know since yesterday is everything has changed And all my walls stood tall painted blue  
But I'll take 'em down, take 'em down and open up the door for you And all I feel in my stomach is butterflies  
the beautiful kind  
Making up for lost time, taking flight, making me feel like I just want to know you better, know you better,  
know you better now  
I just want to know you better, know you better, know you better now  
I just want to know you better, know you better, know you better now  
I just want to know you, know you, know you 'Cause all I know is we said hello  
And your eyes look like coming home  
All I know is a simple name, everything has changed  
All I know is you held the door  
You'll be mine and I'll be yours  
All I know since yesterday is everything has changed Come back and tell me why  
I'm feeling like I've missed you all this time  
And meet me there tonight  
And let me know that it's not all in my mind I just want to know you better, know you better, know you better  
now  
I just want to know you, know you, know you All I know is we said hello  
Your eyes look like coming home  
All I know is a simple name, everything has changed  
All I know is he held the door  
You'll be mine and I'll be yours  
All I know since yesterday is everything has changed All I know is we said hello  
So dust off your highest hopes  
All I know is pouring rain  
And everything has changed  
All I know is a new found grace

All my days, I'll know your face  
All I know since yesterday is everything has changed
