

Paranoid

Jonas Brothers

I make the most of all this stress
I try to live without regrets
But I'm about to break a sweat
I'm freaking out
It's like a poison in my brain
It's like a fog that blurs the sane
It's like a vine you can't untangle
I'm freaking out
Every time I turn around
Something don't feel right
Just might be paranoid
I'm avoiding the lines because they just might split
Can someone stop the noise?
I don't know what it is but I just don't fit
Consider me destroyed
I don't how to act 'cause I lost my head
I must be paranoid
I never thought it would come to this
I'm paranoid, yeah
I take the necessary steps
To get some air into my chest
Can't hear the thoughts inside my head
I'm still freaking out
That's why my ex is still my ex
I never trust a word she says
I'm running all the background checks
And she's freaking out
Every time I turn around
Something's just not right
Just might be paranoid
I'm avoiding the lines because they just might split
Can someone stop the noise
I don't know what it is but I just don't fit
Consider me destroyed
I don't know how to act 'cause I lost my head
I must be paranoid
And I never thought it would come to this
I'm paranoid
Stuck in a room of staring faces, yeah

Caught in a nightmare, can't wake up
If you hear my cry running through the streets
I'm about to freak, come on rescue me
Just might be paranoid, yeah
I'm avoiding the lines because they just might split
Can someone stop the noise
I don't know what it is but I just don't fit
Consider me destroyed
I don't how to act 'cause I lost my head
I must be paranoid
I never thought it would come to this
I'm paranoid
