Around the World (Radio Edit)

Daft Punk

Around the world, around the world

Around the world, around the world

Around the world, around the world

Around the world, around the worldAround the world, around the world

Around the world, around the world

Around the world, around the world

Around the world, around the worldAround the world, around the world

Around the world, around the world

Around the world, around the world

Around the world, around the worldAround the world, around the world

Around the world, around the world

Around the world, around the world

Around the world, around the worldAround the world, around the world

Around the world, around the world

Around the world, around the world

Around the world, around the worldAround the world, around the world

Around the world, around the world

Around the world, around the world

Around the world, around the worldAround the world, around the world

Around the world, around the world

Around the world, around the world

Around the world, around the worldAround the world, around the world

Around the world, around the world

Around the world, around the world

Around the world, around the worldAround the world, around the world

Around the world, around the world

Around the world, around the world

Around the world, around the worldAround the world, around the world

Around the world, around the world

Around the world, around the world

Around the world, around the worldAround the world, around the world

Around the world, around the world

Around the world, around the world

Around the world, around the worldAround the world, around the world

Around the world, around the world

Around the world, around the world

Around the world, around the worldAround the world, around the world

Around the world, around the world

Around the world, around the world

Around the world, around the world, around the world

Around the world, around the world

Around the world, around the world

Around the world, around the world, around the world Around the world, around the world

Around the world, around the world

Around the world, around the world, around the world Around the world, around the world

Around the world, around the world

Around the world, around the worldAround the world, around the world

Around the world, around the world

Around the world, around the world

Around the world, around the worldAround the world, around the world

Around the world, around the world

Around the world, around the world

Around the world, around the world
