

Hollywood Nights

Sam Morrison and Turn The Page

Words and music by bob seger
She stood there bright as the sun on that california coast
 He was a midwestern boy on his own
 She looked at him with those soft eyes,
 So innocent and blue
He knew right then he was too far from home he was too far from home
 She took his hand and she led him along that golden beach
 They watched the waves tumble over the sand
 They drove for miles and miles
 Up those twisting turning roads
 Higher and higher and higher they climbed
 And those hollywood nights
 In those hollywood hills
 She was looking so right
 In her diamonds and frills
 All those big city nights
 In those high rolling hills
 Above all the lights
 She had all of the skills
He'd headed west 'cause he felt that a change
 Would do him good
 See some old friends, good for the soul

She had been born with a face that would her
 Get her way
He saw that face and he lost all control
 He had lost all control
Night after night, day after day, it went on and on
 Then came that morning he woke up alone
He spent all night staring down at the lights of la
 Wondering if he could ever go home
 And those hollywood nights
 In those hollywood hills
 It was looking so right
 It was giving him chills
 In those big city nights
 In those high rolling hills
 Above all the lights
 With a passion that kills

In those hollywood nights
In those hollywood hills
She was looking so right
In her diamonds and frills
All those big city nights
In those high rolling hills
Above all the lights
She had all of the skills
