

God Is for Me (feat. Patrick Dopson)

Hezekiah Walker

Oh my brother, you can look up
Oh my sister, you've had enough
Things are changing
Following the plans, plans he has for you Every trial ???
Every challenge I'm aware
God is for me
God is for me
God is for me My position understood
it's all working for my good
God is for me
God is for me
God is for me
God is for me And he will be there
Yes he will be there
