

Perfect Gentleman

Halloween

There is no doubt about it
I'm one of a kind baby
I am 'L'artangan de coeur'
As you may see candy
And I'm talking with my eyes
And I walk in diferent styles
I'm a genuine man
Yes I am, I am a perfect gentleman
Yes I am, I am a perfect gentleman
Kneel down inhale my odour
Come kiss my hand angel
Dare to explode my higher ground
Strives to deserve me
Ma cherie
And my winds surpass perfume
I'm charismatic and full boom
I'm a genuine man
Yes I am, I am a perfect gentleman
Yes I am, I am a perfect gentleman
Yes I am, I am, yes I am perfect
Oh Lord what can I do?
I can't resist my own reflection
How would possibly anyone
(Perfect)
'Cause I am
(Perfect)
Yes I am
(Perfect)
Yes I am
(Perfect)
Oh I am
(Perfect)
Oh Lord I am
(Perfect)
Yes I am, I am a perfect gentleman
Yes I am, I am a perfect gentleman
Yes I am, I am a perfect gentleman
