The Name Of The Game

A*Teens

I've seen you twice, in a short time
Only a week since we started
It seems to me, for every time
I'm getting more open-heartedI was an impossible case
No-one ever could reach me
But I think I can see in your face
There's a lot you can teach me
So I wanna knowWhat's the name of the game?
Does it mean anything to you?
What's the name of the game?
Can you feel it the way I do?
Tell me please, 'cause I have to know
I'm a bashful child, beginning to growAnd you make me talk and you make me feel
And you make me show what I'm trying to conceal
If I trust in you, would you let me down?
Would you laugh at me, if I said I care for you?
Could you feel the same way too?
I wanna knowThe name of the game
(Your smile and the sound of your voice)
Does it mean anything to you?
(Got a feeling you give me no choice)But it means a lot, what's the name of the game?
(Your smile and the sound of your voice)
Can you feel it the way I do?
Tell me please, 'cause I have to know
I'm a bashful child, beginning to growAnd you make me talk and you make me feel
And you make me show what I'm trying to conceal
If I trust in you, would you let me down?
Would you laugh at me, if I said I care for you?
Could you feel the same way too?
I wanna know, oh yes, I wanna knowThe name of the game
(I was an impossible case)
Does it mean anything to you?
(But I think I can see in your face)That it means a lot
What's the name of the game?
(Your smile and the sound of your voice)
Can you feel it the way I do?
(Got a feeling you give me no choice)But it means a lot, what's the name of the game?
(I was an impossible case)
Does it mean anything to you?

(But I think I can see in your face)
That it means a lot
