Under Your Spell Again

Jean Shepard

You've got me under your spell again, saying those things again
Making me believe that you're just mine
You've got me dreaming those dreams again, thinking those things again
I've got to take you back just one more timeI swore the last time that you let me down, that I wouldn't see you if you came around
But I can't tell my heart what's right or wrong
And I've been so lonely since you've been gone
You've got me under your spell againWell everybody tells me that I'm a fool, that I never should have put my faith in you
And way down deep inside I guess I know it's true
But no one else can make me feel the way you do
You've got me under your spell again
