

Hold My Hand

Maher Zain

I hear the flowers kinda crying loud
The breezes sound in sad
Oh no
Tell me when did we become,
So cold and empty inside
Lost a way long time ago
Did we really turn out blind
We don't see that we keep hurting each other no
All we do is just fight Now we share the same bright sun,
The same round moon
Why don't we share the same love
Tell me why not
Life is shorter than most have thought Hold my hand
There are many ways to do it right
Hold my hand
Turn around and see what we've left behind
Hold my hand my friend
We can save the good spirit of me and you
For another chance
And let's pray for the beautiful world
The beautiful world I share with you Children seem like they've lost their smile
On the new blooded playgrounds
Oh no
How could we ignore , heartbreaking crying sounds
And were still going on
Like nobody really cares
And we just stopped feeling all the pain because
Like it's a daily basic affair Now we share the same bright sun,
The same round moon
Why don't we share the same love
Tell me why not
Life is shorter than most have thought Hold my hand
There are many ways to do it right
Hold my hand
Turn around and see what we've left behind
Hold my hand my friend
We can save the good spirit of me and you
For another chance
And let's pray for the beautiful world

The beautiful world I share with you
No matter how far I might be
Im always gonna be your neighbor
Theres only one small planet where to be
So Im always gonna be your neighbor
We cannot hide, we can't deny
That were always gonna be neighbors
Your neighbor, my neighbor
We're neighbors
So hold my hand
There are many ways to do it right
Hold my hand
Turn around and see what we've left behind
Hold my hand
There are many ways to do it right
Hold my hand
Turn around and see what we've left behind
Hold my hand my friend
We can save the good spirit of me and you
For another chance
And lets pray for the beautiful world
The beautiful world I share with you
