

# Paint It Black

## The Unseen

I see a red door and I want it painted black  
No colors anymore, I want them to turn black  
I see the girls who walk by dressed in summer clothes  
I have to turn my head until my darkness goes I see a line of cars and they're all painted black  
With flowers and my love both never to come back  
I see people turn their heads and quickly look away  
Like a new born baby, it just happens every day I look inside myself and see my heart is black  
I see my red door and it has been painted black  
Maybe, I'll just fade away and not have to face the facts  
No, it's not easy facing up when your world is black No more will my green sea go turn a deeper blue  
I could not foresee this thing happening to you  
If I look hard enough into the setting sun  
My love will laugh with me before the morning comes I wanna see it painted, painted black  
Black as night, black as coal  
I wanna see the sun blotted from the sky  
I wanna see it painted, painted, painted, painted black Black as night, black as coal  
I wanna see the sun blotted from the sky  
I wanna see it painted, painted, painted, painted black
