

# Reunion (We Have Band Remix)

M83

You came out of nowhere  
Stealing my heart and brain  
Flaming my every cell  
You make me feel myself Oh, oh, oh, oh, oh, oh-oh-oh  
Oh, oh, oh, oh, oh, oh-oh-oh  
Will you stand in this land?  
Will you stand in this land forever? Across the time and space  
A never-ending dance  
A blooming and a trance  
You make me feel my soul  
There's no more loneliness  
Only sparkles and sweat  
There's no more single fate  
You make me feel myself Oh, oh, oh, oh, oh, oh-oh-oh  
Oh, oh, oh, oh, oh, oh-oh-oh  
Will you stand in this land?  
Will you stand in this land forever? "My body is like a lightning rod  
Capsize me and douse me in your bay  
A shiver of want, always  
When you are on the tip of my tongue  
In the back of your parked car  
I could build a fort  
And play all day  
Between your lips and mine  
Let's stay here forever" Oh, oh, oh, oh, oh, oh-oh-oh  
Oh, oh, oh, oh, oh, oh-oh-oh  
Will you stand in this land?  
Will you stand in this land forever?
