

It Makes Me Giggle

[John Denver](#)

A one, two, three, four
It makes me giggle, makes me giggle
Just havin' my baby around me
Makes me giggle, sometimes I wiggle
'Cause I'm so glad she found me
Sometimes I wake up feelin' crabby
She give me love as sweet as candy
It makes me giggle, makes me giggle
Every time I see my little boy child
Makes me giggle, sometimes I wiggle
Sometimes I even jump for joy, child
He knows just how to make me happy, yes he does
He give me loves and calls me Daddy
It makes me giggle, makes me giggle
Giggle for me
If I ever felt better, I can't seem to recall
It just blows me away to be part of it all
It makes me giggle, it makes me giggle
Just singin' these love songs for you
It makes me giggle, sometimes I wiggle
There ain't nothin' that I'd rather do
I like to see you with a smile on your face
I'd like to give one to the whole human race
And then I'd giggle, we could all giggle
Now, wiggle for me
If I ever felt better, I can't seem to recall
It just blows me away to be part of it all
