

Color (feat. Luke Edgemon)

[Matt Bloyd](#)

Everyday before today was never grey,
itâ€™s always black and white until tonight, yeeah,
I wasnâ€™t expecting,
yet Iâ€™ve never been so happier,
and it changed my life,
but it feels so right,
the way you touch me,
the way you hold me,
my hearts about to burst,
you are the first to really know me,
I wanna love you,
but first I want someone to show me,
where to fall in love,
but thats the old me. Yeah

Thereâ€™s something about you,
that makes my sky blue,
and whenever weâ€™re through
all I can do is see colors,
Thereâ€™s something about us,
when we are together,
And whenever youâ€™re there,
everywhere I see colors,

Every second,
you can bet my hearts collecting little butterflies,
when i see those eyes, Yeah.
When our hearts collide,
I hope our world is a collidescope,
Cause black and white never shined so bright, yeah
The way you touch me, the way you tease me,
Iâ€™m trying not to fall, but falling seem so easy,
My heart was locked,
but boy you got the key to free me,
And theres a boy you love,
but you see in me.

Thereâ€™s something about you,
that makes my sky blue,

and whenever weâ€™re through
all I can do is see colors,
Thereâ€™s something about us,
when we are together,
And whenever youâ€™re there,
everywhere I see colors,
And maybe the world will never understand our kind of love,
(Say) (thatâ€™s quite enough)(well Iâ€™ll fight for us)
Iâ€™d like to be the kind of man you like to love,
(Weâ€™ve got the right to love)
And baby I like to love you,
cause you are my favorite you, yeah,

Thereâ€™s something about you,
that makes my sky blue,
and whenever weâ€™re through,
all I can do is see colors,
Thereâ€™s something about us,
when we are together,
And whenever youâ€™re there,
everywhere I see colors,

Thereâ€™s something about you,
that makes my sky blue,
and whenever weâ€™re through,
All I can do is see colors,
Thereâ€™s something about us,
when we are together,
And whenever youâ€™re there,
Dam it i swear I donâ€™t see colors,
