## Cocoa Tea; Home T

I know my streets, I know my sounds  
Y'all know my beats, how I get down  
I take my steps, and leaps and bounds  
Nigga it's, hip hop  
Yeah, yeah, we started from nothin' a couple MC's  
Beat boxin', the crowd in the lunch room  
Me and Prem', both names go together  
Like they ain't supposed to be separate, like "D" in the D  
I said it before, I rep in records beats  
At the headquarters, rest in peace  
Nigga I'ma hold shotty and knock you out  
And I ain't gotta know Karate like Afu-ra  
It's, hip hop, strong or not  
This is rap basketball, stats all you got  
Long as you hot and your flow could hold up  
To knowin' all of your short goals is long shots  
Ninety percent of you niggaz ain't hard  
Here, Just to Get a Rep, you not, Gangstarrs  
The finest flow will amaze, rap without me  
Is to Source, minus the Quotable page  
Hip hop is everything around you  
No competition  
Back to the voice of today  
It's real in the field  
What's realer than hip hop  
I know my streets, I know my sounds  
Y'all know my beats, how I get down  
I take my steps, and leaps and bounds  
Nigga it's hip hop  
Rhythmic, league c'mon wit it, I'm long winded  
I will diss you, from long distances  
You will not get the chance, like Choppa  
Ness and Dylan, to dis-respect, who you don't listen to  
Egg in the skillet brain, nigga, diss is you  
Smarten up, every person in the earth, be harden up  
But the only target is us  
It's hip hop cars and trucks  
I be dreamin' about shit  
Like havin' a hard time swingin'

On a nigga, or squeezin' a trigger or fallin'  
If I land, I won't wake up  
My six shot model, ya crew  
I'm leavin' ya mommy faces blue  
Just like a Hypnotic bottle  
They feel you the realer, you spit  
This killer shit is hearin' us  
Healin' you if you ill or you sick mentally  
It's hip hop, is everything around you  
Gotta be something for me to write this  
Back to the voice of today  
No talent rappers  
What's realer than hip hop  
I know my streets, I know my sounds  
Y'all know my beats, how I get down  
I take my steps, and leaps and bounds  
Nigga it's hip hop  
More venom, 5'9 is like a G5  
Illest lyrics is stored in him  
Chorus is killin', any warrior feelin'  
That I ain't God, Lord willin'  
Trust me, after I crush ya buildin'  
You will just hush, you won't restore the village  
We look toward wit killin', real  
Though this album is morbidly feelin' to steel  
Hip hop, fuck your feelin's  
More rappers dying, much more killin'  
It's no feelin', realer than gamblin' ya life  
Everyday and wakin' up to more dealin's  
Fourteen killin's, compared to offshore millions  
Equals, I got a lot more villains  
You know that you easily lose, you be on MTV News  
For the first time, because you died over  
Hip hop is everything around you  
Come alive y'all  
Back to the voice of today  
It's all in the game  
What's realer than hip hop  
I know my streets, I know my sounds  
Y'all know my beats, how I get down  
I take my steps, and leaps and bounds  
Nigga it's hip hop
