# Must I Wait

## Phil Wickham

Close my eyes, I'm trying to listen
Oh cuz it's been so long since I've heard you speak
Send your love, cover over the distance
Between You and between meOh how long must I wait for my love
Cuz I need You oh I need You
My heart is bursting and breaking apart
For my loveBlind my eyes, I'm looking to heaven
Holding all Your promises against my chest
I offer up the life I've been given
Till my last breath
Your coming is as sure as the sun is rising
Here comes the day it's breaking in my heart
Your children are running to you
