

Hell On Wheels

[Cher](#)

Well, I'm hell on wheels I'm a roll on mama
I can slide down places that you never knew
Try me on for size at the roll-a-rama
If you tie my laces and I'll follow you
Follow you, follow you, oh
See something I like gonna go for it
See something I want I'm gonna go after it
See something I like gonna go for it
See something I want
Let's roll hell on wheels, let's roll
Come on and roll with me
I roll at a quarter till three, yeah
And let's rock hell on wheels, let's rock
Come on and rock it with me
I'll make you feel so free, yeah, look out
Well, I'm hell on wheels say I'm roller crazy
I won't go too fast, no I won't go too far
We'll be high on wheel if the room gets hazy
Just look out for me I'm your guiding star
Guiding star, guiding star
See something you like better go for it
See something you want better get down on it
See something you like you better go for it
See something you want
Let's roll hell on wheels, let's roll
Come on and roll with me
We'll roll till quarter to three, yeah
Let's rock hell on wheels, let's rock
Come on and rock it with me

I'll make you feel so free, yeah, look out
If you see something you like, you better go for it
If you see something you want, you better get down on it
If I see something I like, I'm gonna go for it
If I see something I want
You know I'm gonna get down on it
'Cause I'm hell on wheels I'm a roll on mama
I can slide down places that you never knew
Try me on for size at the roll-a-rama

If you tie my laces and I'll follow you
Follow you, follow you
If you see something you like, you better go for it
If you see something you want, you better get down on it
If I see something I like, I'm gonna go for it
If I see something I want
Let's roll hell on wheels, let's roll
Come on and roll with me
We'll roll till quarter to three, yeah
And let's rock hell on wheels, let's rock
Come on and rock it with me
I'll make you feel so free, yeah, look out
Let's roll
Come on
Let's rock
Come on
I'll hell on wheels
Oh yeah, look out
You be my roller blade
