

# Future Politics

## Austra

Maybe I'm alone?  
But I know this I'm never coming back here  
There's only one way  
Future Politics  
I'm never coming back here  
There's only one way  
Future Politics Future Politics I look ahead and I think about it  
There's still a hope somebody needs to feel I don't wanna hear that it's all my fault  
The system won't help you and your money won't help  
We're out of this [?]  
The grave has been dug  
I'm looking for something to rise up above I'm never coming back here  
There's only one way  
Future Politics  
I'm never coming back here  
There's only one way  
Future Politics Future Politics Rest assure and I'll find it, I'll take it  
Rest assure, when I find it  
I will take it I'm not a coward, like them  
Well, I got my money  
I'm not a coward, like them  
I don't need more money  
I'm never coming back here  
There's only one way  
Future Politics  
I'm never coming back here  
There's only one way  
Future Politics Future Politics I'm never coming back here  
There's only one way  
Future Politics  
I'm never coming back here  
There's only one way  
Future Politics Future Politics (Future Politics)  
Future Politics (Future Politics)  
Future Politics (Future Politics)  
Future Politics (Future Politics)
