Embody the Invisible

In Flames

I demand nothing
But I want it all
What privilege do we have under the sun
That give us right to the throne?Species come and go
But the earth stands forever fast
All rivers runs towards the sea
But the sea is never fullTo discover the loneliness
And be to proud to show the wounds
Will forever wander alone through the yearsBut I won't let you near
Begging, begging for you to understand
The fear that lives in my soul of a anotherRead, what is written on the silent mouth
What is written in the soul
For which is written in the shining silence
We all have to read it
What is written on the silent mouth
What is written in the soul
For which is written in the shining silence
We all have to readMy body will be bent from the burdens
When the shaking floor of life force
Reveal its chasm underneath
If only one could be two steps aheadTo discover the loneliness
And be too proud to show the wounds
Will forever wander alone through the yearsBut I won't let you near
Begging, begging for you all to understand
The fear that lives in my soul was anotherRead, what is written on the silent mouth
What is written in the soul
For which is written in the shining silence
We all have to read it
What is written on the silent mouth
What is written in the soul
For which is written in the shining silence
We all have to
