

# The Disco Song

## Au Revoir Simone

There's a bad reason  
She just can't stay home anymore  
Expectations rising  
Life's too short  
It's too clichÃ© And you say, and you say  
And you say, and you say  
And you say, and you say  
And you say, and you sayShe knows when things are happening  
Into the night, she's lost again  
It's like no other feeling she says  
"Here I am to save the day" Wishing for the time of my life, she says  
Wishing for the time of my life  
Wishing for the time of my life, she says  
Wishing for the time of my life  
Wishing for the time of my life, she says  
Wishing for the time of my life  
Wishing for the time of my life, she says  
Wishing for the time of my life
